Dear Friends,

It is my honor and privilege to congratulate the San Francisco Bay Area office of the Council on American-Islamic Relations (CAIR-SFBA) on their 25th Anniversary Gala. Thank you to CAIR-SFBA for their 25 years of civic engagement to empower American Muslims, and promote justice and civil rights. In these tumultuous times it is more important than ever that everyone understands their First Amendment rights, especially those in the most vulnerable and marginalized communities. This is why CAIR-SFBA offers such valuable resources to the San Francisco Bay Area by offering legal services and advocating for the rights of our Muslim neighbors to exercise their religious freedom like all Americans.

In addition, CAIR-SBFA breaks barriers by providing a space for all community members to work together to educate and advocate on issues of importance, such as ethnic studies in high schools, restoring voting rights for people on parole for a felony conviction, and many more social equity causes. As the political landscape in our nation shifts, CAIR-SBFA continues to remind us how crucial it is for us to engage and empower all residents to use their voices to catalyze change. On behalf of the 27th Assembly District, congratulations for 25 years of advocacy and on the success of your 25th Anniversary Gala. Thank you for your commitment to justice and ensuring the rights of all Americans.

Sincerely,

A handwritten signature in blue ink that reads "Ash Kalra".
