Council on American-Islamic Relations- San Francisco Bay Area Chapter 25th Annual Banquet

November 9, 2019

Dear Friends,

On behalf of the California Legislature, it is with great pleasure that I congratulate the Council on American-Islamic Relations—San Francisco Bay Area (CAIR-SFBA) on their 25th anniversary and their outstanding achievements over the past quarter-century.

I have had the privilege of coauthoring a number of successful bills with CAIR including AB 32 (Ban on Private/For-Profit Prisons) and AB 9 (Stop Harassment and Reporting Extension Act) over the past year. These bills were signed by Governor Newsom with CAIR's steadfast advocacy. As the Chair of the Asian Pacific Islander Legislative Caucus, I worked with CAIR and issued a statement regarding the tragedy in Christchurch, denounced Islamophobia, and re-iterated my support for the Muslim community. I will always proudly join CAIR in defending our values and the freedom to practice any faith.

It is my pleasure to join in celebrating the CAIR 25th Annual Banquet. CAIR has a significant role in making San Francisco Bay Area a better place to live not only for the Muslim community, but for all Americans.

Sincerely,

DAVID CHIU
Assemblymember, 17th District
