Dear Ms. Usman:

On behalf of the Newark City Council, I would like to commend you and the Council on American-Islam Relations for working to promote a positive image of Islam and Muslims in America. It is important that we support the civil rights of all Americans.

Good luck with your 25th Anniversary Gala on November 9 at the Santa Clara Convention Center. I hope you have a well-attended, successful event.

Sincerely,

ALAN L. NAGY
Mayor
