## **QAADISTA BANNAANTA MUSLIM & AFRIKA**

### **Maxaa Looga Jeedaa Bulshooyinka Saameynta Leh**

Maanta, Madaxweyne Biden wuxuu saxiixay bayaan lagu joojinayo mamnuucida Muslimiinta iyo Afrikanka. Baaqani wuxuu tirtirayaa Amarka Fulinta ee 13780 iyo Baaqyada 9645, 9723, iyo 9983, kuwaas oo salka ku hayey Islaam nacaybka iyo ka soo horjeedka Madowga, isla markaana xaddiday gelitaanka Mareykanka ee dadka ka soo jeeda waddamada muslimka iyo Afrikaanka.

La talintaan, mashruuc ka mid ah isbahaysigeenna ololaha No Muslim Ban Ever Campaign, oo ay soo diyaariyeen qareennada CAIR-SFBA iyo Horumarinta Cadaaladda-Aasiya Caucus, waxaan ku sharraxaynaa waxa Baaqu sameynayo iyo shaqada harsan ee la qabanayo si loo tirtiro burburka ay geysteen mamnuucyada.

### **Waqtiga**

Baaqani wuxuu dhaqan galayaa Janaayo 20, 2021.

### **Muxuu ku dhawaaqayaa Baaqu**

Dowladda Mareykanka mar dambe uma diidi doonto fiisooyinka muhaajiriinta iyo muwaaddiniinta Libya, Iran, Somalia, Yemen, Syria, Sudan, Nigeria, Tanzania, Myanmar, Eritrea \*, Kyrgyzstan, North Korea, iyo Venezuela, kaliya sababo la xiriira waddankooda dhalashada.

### **Maxaa Laga Filayaa**

Kala noqoshada xayiraadaha muslimiinta iyo Afrika waxay u egtahay inaysan xal deg deg ah u keeni doonin kuwa la diiday codsiyadooda ama ay sugayaan tixgalinta ka dhaafida xayiraada.

Si kastaba ha noqotee, Madaxweynuhu wuxuu ku amray Waaxda Arrimaha Dibadda inay ku soo gudbisno warbixin ay la socoto macluumaadka soo socda muddo 45 maalmood gudahood ah (Maarso 6, 2021):

1. Tirada dadka codsiyadooda loo tixgalinayo ka dhaafitaankooda Mamnuuca iyo qorshe lagu dedejinayo codsiyadan;
2. Soo jeedin lagu xaqiijinayo in dadka horey loogu diiday fiisooyinka iyadoo laga mamnuucayo mamnuuciddooda dib loo eegi karo codsiyadooda; iyo
3. Qorshe lagu xaqiijinayo in dadka loo diiday dalabyadooda fiiso iyadoo la mamnuucayo ganaaxyada aan loo diidin fiisooyinka mustaqbalka keliya diidmooyinkan hore awgood.

Madaxweynaha ayaa sidoo kale ku amray Waaxyaha Dowlada iyo Amniga Gudaha inay ka warbixiyaan waxtarka habraacyada “kala shaandhaynta xad dhaafka ah” ee ay soo saareen maamulkii ka horeeyey muddo 120 maalmood gudahood ah (20-ka May 2021). Marka la eego habraacyada kala-shaandheynta xad-dhaafka ah, dowladda Mareykanka waxay uga baahan tahay dadka codsanaya fiisooyinka inay soo gudbiyaan macluumaadka ku saabsan akoonnada ay ku leeyihiin baraha bulshada, walaalahood, iyo shaqadooda, shaqadooda, iyo taariikhda safarkooda shan iyo tobankii sano ee la soo dhaafay. Ma cadda in Madaxweynuhu uu dib u eegi doono dhaqanka hadda jira ee kala-shaandheynta xad dhaafka ah wixii ka dambeeya Maajo 20, 2021.
